Our Comfort Apartment in Havana.

Our school in La Habana, Cuba, is located in a beautiful area of Miramar.

Cuba, located in the heart of the American Mediterranean, just south of the Tropic of Cancer at the edge of the Gulf of Mexico, looks as if it is caught like a cigar between the fingers of Florida and the Yucatan Peninsula.

La Habana is Cuba's economic, cultural, and political centre. The city enjoys the greatest cultural heritage of Cuba and is the most wonderful former Spanish colonial complex in the Americas. You will be overwhelmed by the wealth of historical monuments and the boisterous friendliness of the Cuban people. The unique joyful culture of Cuba derives its roots from Caribbean, African, and Spanish traditions. There are museums, monuments, fortresses, palaces and traces of history all over

the island. The old town of Havana is protected by UNESCO as a site of cultural and historical importance; the responsibility of maintaining and restoring its infrastructure lies in the hands of its people whose attempts to preserve the old town are clearly prioritised despite the difficult economic situation. The Cuban people are especially proud of their revolution. It attracts many visitors to whom the Cubans extend a warm welcome. It is easy to make contact, ask questions and make arrangements. We offer you a unique opportunity to become familiarised with Cuban society and culture. Our school is located in Miramar, the residential embassy area of Havana. The city offers beautiful beaches on both sides of the centre, the "Playas del Oeste" near to our Club Residence, and the "Playas del Este" to the east.
