

# FRENCH IN NICE

Our school right in the centre of Nice: The beach is only a 10 min. walk away!

In the past it was considered noble and distinguished to speak French - particularly in the Royal Courts of the 18th century.

Nice is more than simply the capital of the Côte D'Azur, it's the fifth largest town in France, a chic and flirtatious coastal resort with a backdrop of wealth and fine architecture. Located on the Mediterranean coast, at the western end of the Riviera, the city boasts a plethora of ruins, museums, boutiques, and an appealing French café culture. Cafés occupy weathered 17th and 18th century buildings, while outdoor markets crowd the old town's streets and Venetian-style squares. Like most of the Riviera, Nice has a lively nightlife and the old city stays open until the early hours of the morning.

The jazz festival in July attracts famous international artists such as James Brown, Winston

and Branford Marsalis, Michel Petrucciani, among others. The carnival in February with its procession of flower floats and the famous "Bataille des Fleurs" attracts visitors from all over the world.

Nice is also an excellent base for visiting other interesting sites on the Riviera - Monaco, Cannes and Antibes are easily accessible by train. There are bus services to visit St. Tropez, famous for its film and pop stars. This is the place where Mika invented the delicious Tarte Tropézienne.

Travel inland and you can visit Grasse, the home of French perfume. Then there is St. Paul de Vence perched on the top of a hill, where you will enjoy a breathtaking view. Understandable why so many artists have painted here.
