

INDIVIDUAL JUNIORS U20 PROGRAM

We would like to invite individual juniors aged from 14 to 18 of all nations to participate in our specialized language travel experience. Enrol as an individual junior and meet your fellow group students at the destination!

All you then need to do is join our dynamic course, which is made up of 4 or 6 lessons daily. When we say dynamic, we mean creative language challenges. You will learn what is really important for your improvement. These topics focus on high school exams, as well as on intercultural training, and junior activities.

Our courses are designed to stimulate students' creativity, language skills, and teamwork. A lesson plan, however, doesn't work on its own. To be successful, teachers must be prepared and well-trained, motivated to develop teaching and learning strategies and dedicated to enhancing learning skills.

And that is why our Sprachcaffe teachers are so good at what they do!

Students will benefit by overcoming shyness, learning grammar structures, and expanding their vocabulary without being exposed to traditional classroom stress. All our teachers work closely together with our entire school team and our group leaders to organize your valuable time. In the afternoons we offer a supervised tailor-made activity programme. This ensures an absolute immersion into the language and culture of your host country.

It is all about sharing and communicating. So, rest assured, the students goals are in good hands with us. Besides there is always a full-time team-leader on site.

The U20 programme takes place in England (Brighton, Exmouth/ Devon, London), Malta, France, Mexico, Canada, Germany and Spain, all superb Sprachcaffe schools, in absolutely safe environments. Students can usually choose between our school residences and host families with different board options. The first school day is followed by a welcome party. Let the Junior language experience begin.
